Custom Artwork Gifts

Children create an artwork which we transform into an individual gift item for each child. Artwork can be a painting, drawing, collage or many other mediums. Artwork that has strong, bold colours looks most effective. We can add text or graphics to the design e.g. Happy Father's Day or a logo. We will work with you to create a design you love.

We currently print onto these products:

Tea Towel: 100% Cotton, approx. 50 x 70cm

Calico Bag: 100% Cotton Calico 140gsm, approx. 36x42cm with gusset

Cap: Trucker style cap with white panel at front, black peak & black mesh at back

Mug: Standard size white ceramic mug with artwork all the way around

T-shirt: 100% cotton T-shirt. Available in children's, men's and ladies sizes

Hanging Ornament: 7.5cm circle shaped metal ornament. Printed on both sides. One side could be a drawing, the other side a message or logo. Other shapes available for orders of 50 or more.

All products are printed by us, in our studio in Shellharbour. Orders are usually completed within 14 days but may increase in peak times like Mother's Day, Father's Day & Christmas.

Many pre-schools & groups run this as a fundraising activity. We suggest you add a couple of dollars to the cost of each product for your profit margin.

How it works:

1. You download and print the relevant template onto A4 copy paper. The size and shape of the template will vary depending which finished product you choose.
2. Children create their artwork.
3. You either post us the original artworks or scan them at 300dpi and email to us.
4. We then transform the artworks into unique gifts and deliver back to your centre.
